

# JUNE & JULY 2025 REPORT

# PRAISES

Praise the Lord, over the past two months, God has opened many doors for Mv Indonesia to proclaim the Gospel in various places. Here is a summary of the Ministry opportunities we were privileged to carry out:

## 1. WOMEN MINISTRY-GPPS-SURABAYA

Earlier in June, I was invited to preach at a women's fellowship service in GPPS Sawahan Church, Surabaya. Around 150 women aged between 40 to 70 attended the service and heard the Gospel message. It was a joyful and Spirit-filled gathering.

## 2. Youth Revival – Malang (June 27, 2025)

Together with the Level Up youth community in Malang, I shared the Word of God during their Youth Revival event. A total of 366 souls were reached during this revival.

I also had the opportunity to build relationships with key leaders and pastors in the region. As a result, I was invited to speak at an upcoming forum for pastors and ministry leaders across Malang.

### **3. Shared the Gospel at the House of Prayer GPPS Surabaya, July 19, 2025.**

On this occasion, I preached the Gospel during a prayer fellowship held at the House of Prayer, GPPS Surabaya. Around 170 people were ministered to and encouraged through the Word of God.

# Discipleship & Counseling Ministry

The discipleship and counseling program that my wife and I run through GTC continues to go well. Several young people and young families have experienced the positive impact of this ministry.

## 4. LEAP Seminar – July 14–16, 2025

From July 14 to 16, 2025, I attended the LEAP National Conference 2025 (Leadership, Evangelism, Apologetics, Preaching), organized by a Gospel-centered community called Grace Alone Ministry Indonesia. This ministry is deeply committed to equipping believers in the areas of leadership, evangelism, apologetics, and preaching.

The seminar significantly transformed my perspective on evangelistic ministry. I gained a deeper understanding of my identity in Christ and was inspired to grow further in my calling and service.

As a follow-up, I plan to join a 10-day training program on Church Planting and Gospel-Centered Church Revitalization, which will be held in Surabaya.

## PETITIONS

We kindly ask for your support in prayer, so that we may continue walking in God's will and strength:

### 1. Business Endeavor in Surabaya

Please pray for clarity and direction as my wife and I continue seeking the right business opportunity in Surabaya. We hope to launch it by next year as a means to support our family and ministry long term.

### 2. Permanent Space for Growing Together Community (GTC)

The current property we use for our ministry studio is now being promoted for sale by its owner. Similarly, JKI Kebun Anggur a church previously served by our team and visited by the MV team is also being surveyed for sale. We are praying for a permanent space for GTC to ensure that the **ministry continues unhindered.**

### 3. Continuing My Theological Studies.

I long to resume and complete my theological degree, which was put on hold due to the pandemic and internal issues within the institution. Pray that God would open a way for me to finish this important chapter.

# Thank You
